AMERICAN TOURISTER
SINCE 1933

OUR SQUAD 2026

BRAND STORY

American Tourister began in 1933 as a small luggage workshop with a simple goal: to make travel easier. We soon grew into a global brand, offering luggage, backpacks, and travel essentials designed for every kind of journey.
Within 60 years, we had become one of the most recognised luggage brands in the United States. We joined the Samsonite family, continuing to build on a legacy of trust and functionality.
Today, we are present across continents, supporting travellers wherever life takes them. Known for quality, ease of use, and Red Dot Award–recognised design, our products combine global standards with fair pricing to help you travel with confidence.

AMERICAN TOURISTER IS...

- MADE TO MOVE
- BUILT TO LAST
- COLOURFUL BY NATURE
- GLOBAL BY DESIGN
- FAIRLY PRICED

At American Tourister, we design travel essentials for people who are always on the move. Built with global quality standards and a bold design sensibility, we deliver reliable performance at prices that make travel easier for everyone.

MORE THAN 120 COUNTRIES... AND COUNTING

We love to see the world as much as you! American Tourister is one of the world's leading luggage brands.
With a presence in over 120 countries, across 5 continents, and more than 15,000 points of sale, we're always within reach.

GLOBAL WARRANTY

With a global warranty on all our products in over 120 countries, you're covered wherever your travels take you. If the product is to be replaced and the product is no longer available, Samsonite will substitute a comparable American Tourister product. This warranty is global and you may have your product repaired at any service center in the world. In addition to this, American Tourister products are rigorously tested to ensure that the travel products you trust meet stringent standards.

WE PURSUE PERFECTION

We don't just tick boxes. We scrutinise every seam, zipper, spine and stitch to ensure your travel sidekicks are top-notch and ready for the lifelong adventure. We're not just about quality; we're about infusing that quirky flair into every suitcase, so your travels become unforgettable and stories worth sharing!
